

# 377-IP

SHOWA 377IP provides an impact protection on the most fragile part of the hand: knuckles, thumb and fingers combining an excellent premium grip preserving the wearer from grease and liquids penetration.

## BENEFITS

- Impact protection reduces shock energy on metacarpals and knuckles, adds pinch-point protection for fingertips.
- A flexible, robust glove offering great dexterity combine with good resistance to tearing.
- Foam nitrile palm finish disperses oil, sludge and mud away to maximize grip.
- Nitrile protects from water, oils, hydrocarbons grease splashes with optimal long-lasting grip.
- Excellent fitting due to optimal liner design.
- Seamless knit designed to prevent irritation.
- No latex – minimal allergy risks

## FEATURES

- Impermeable full nitrile coating all over the hand.
- Extra nitrile foam coating finish on the palm.
- High-abrasion resistance level 4.
- Anti-impact protection hand sewn with high standards of care in our factory.
- Unique SHOWA ergonomic shape that replicates the natural curve of the human hand.
- High-visibility green colour for visible hand signaling.
