for the following articles:

Gloves made of polyester/basalt covered yarn in colour blue/slight gold and polyethylene(UHMWPE)/elastane(spandex) covered yarn in colour white, partly with nitrile coating in colour black, including accessories (black polyester/latex covered yarn, white and disperse dyed polyester yarn, rubber thread in colour yellow).

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 17.HCN.06926 is valid until 30.04.2018
