### 1. Identification of the substance and the Company

<u>Product Name:</u>	LUB-2015
<u>Use Type:</u>	Lubricant blades of pruning shears
<u>Company:</u>	Devillé SA rue Roger Devillé Baugé 49150 (France) Tel: 33 (0) 2 41 84 41 41 Fax: 33 (0) 2 41 84 41 40 Mail: <a href="mailto:contact.fds@devillesa.fr">contact.fds@devillesa.fr</a>
<u>Official advisory body:</u>	In emergency call ORFILA : 33 (0) 1 45 42 59 59

---

### 2. Hazards Identification

Not concerned by the EC mandatory labeling of dangerous preparations	
<u>Health Effects:</u>	Do not have a particular risk, subject to the general rules of hygiene
<u>Effects on the Environment:</u>	See Chapter 12
<u>Physical and chemical hazards:</u>	Nothing to refer

---

### 3. Composition / information on ingredients

<u>Chemical nature:</u>	oil, food grade white oil (Oil type Codex)
-------------------------	-----------------------------------------------

---

### 4. First Aid

In normal use, this product does not present a danger of intoxication.	
<u>Inhalation:</u>	Remove subject from the contaminated area and bring in fresh air
<u>Skin Contact:</u>	In case of prolonged contact with skin, rinse with clear water
<u>Eye contact:</u>	Rinse immediately with clean water for 15 minutes, consult an ophthalmologist if necessary
<u>Ingestion:</u>	Do not induce vomiting, rinse mouth with water, call a doctor if necessary

---

### 5. Fire - Fighting measures

<u>Suitable extinguishing media:</u>	Use powder, foam, CO <sub>2</sub> Cool containers with water spray
<u>Specific hazards:</u>	See Chapter 12

---

### 6. Accidental release measures

<u>Personal precautions:</u>	Wear protective clothing and gloves, see also Chapter 8
<u>Precautions for protection of the Environment:</u>	Contain and recover large quantities spread Avoid penetration into sewerage and drinking water
<u>Methods for cleaning up:</u>	
Recovery	Absorb with sand or other inert absorbent
Decontamination:	cleaning with detergent solution
Elimination:	Replace contaminated materials to a licensed collector See also Chapter 13

---

### 7. Handling and Storage

<u>Handling:</u>	
<u>Technical measures:</u>	A local exhaust ventilation may be necessary to meet the standards of exposure, in addition to the general ventilation of the building, maintain the package closed
<u>Precautions for use:</u>	Avoid contact with skin and eyes
Directions:	See data sheet
Storage:	Store sheltered from bad weather Keep away from all sources of ignition
Incompatible products:	Avoid storage with flammable chemicals

---

### 8. Exposure controls / personal protection

<u>Personal Protection</u>	
Hands:	No protection
Eye:	Safety glasses if risk of projection
Body:	Work Apparel

---

### 9. Physical and chemical properties

<u>Physical state:</u>	viscous liquid, transparent odorless
<u>pH:</u>	Not applicable
<u>Boiling Point:</u>	> 130 ° C
<u>Flash Point:</u>	260 ° C
<u>Solubility:</u>	Insoluble
<u>Density:</u>	~ 0.87 Apolar and hydrophobic character

---

### 10. Stability and reactivity

<u>Stability:</u>	The preparation is stable under normal use and storage. Stability over 1 year in closed packaging. Chemically and biologically inert
<u>Conditions to avoid:</u>	High resistance to oxidation, rancidity High temperatures near the flash point

---

### 11. Toxicological information

<u>Skin contact:</u>	no danger
<u>Contact with the cornea:</u>	May cause irritation, wash with water (not classified as irritating)
<u>In case of ingestion:</u>	total safety for humans,
<u>Awareness:</u>	awareness Uncategorized

---

### 12. Ecological information

<u>Biodegradability:</u>	Biodegradable more than 90%
<u>Bioaccumulation:</u>	No bioaccumulation potential in soils or the atmosphere
<u>Ecotoxicity:</u>	Not classified as dangerous for the environment

---

### 13. Disposal considerations

<u>Wastes and residues:</u>	Do not discharge into sewers, rivers, wells, or in the natural environment
<u>Soiled packaging:</u>	recyclable, reusable after rinsing
<u>Elimination:</u>	Special or hazardous industrial waste

---

### 14. Transport information

<u>By land:</u>	Uncategorized
<u>By River:</u>	Uncategorized
<u>By air:</u>	Uncategorized

---

### 15. Regulatory Information

<u>Community rules:</u>	No symbol Not concerned by the EC regulatory mandatory labeling of dangerous preparations
-------------------------	----------------------------------------------------------------------------------------------

---

### 16. Other information

<u>Notice to Users:</u>	Product for professional use
-------------------------	------------------------------

This sheet complements the technical data of use but does not replace them. The information it contains are based on our current state of knowledge on the formulation concerned, on the date indicated. They are given in good faith. The attention of users is also drawn to the possible risks incurred when a product is used for purposes other than those for which it is designed. It does in no way the user from knowing and applying all texts governing his activity. It will take under its sole responsibility the precautions related to the use he makes of the product. All regulations mentioned is simply to help the user to fulfill its obligations when using a dangerous product. This list should not be considered exhaustive. It does not release the user to ensure that other obligations incumbent on him because of texts other than those listed and governing the possession and use of the product, which is solely responsible.
