

HyFlex™

11-135
Antistatic glove

Previously known as: PU610DGAS

Multi Purpose

Cut

Light Duty

Antistatic multi-purpose gloves, delivering heightened comfort and dexterity

- **Specialized protection:** With EN 16350:2014 certification for protection from electrostatic discharge, HyFlex® 11-135 antistatic gloves can prevent costly accidents and damage to products
- **Augmented dexterity:** Stretchable stitches and a light, finger-dipped polyurethane coating grant these HyFlex® gloves added dexterity and tactility
- **Considered aesthetics:** HyFlex® 11-135 industrial gloves' polyamide liner boasts high levels of tenacity, producing very little lint despite extensive use
- **Elevated comfort:** A seamless, flexible design also ensures comfortable personal protection
- **Genuine versatility:** HyFlex® 11-135 industrial safety gloves are highly versatile, being touchscreen compatible and appropriate for diverse applications

Industries

- Automotive
- Electronics
- Machinery and Equipment
- Life Sciences

HyFlex™
